

This practical casebook brings together all the leading cases on equity and trusts in both parts of Ireland. Key subjects like injunctions (including Mareva injunctions), specific performance, rectification and various aspects of the law of trusts, such as secret trusts, charitable and other purpose trusts, and the administration of trusts are all included in this latest edition. The substantial case judgments are reproduced in full and, where relevant, statutory provisions are also reproduced to help legal practitioners fully understand key case law. Written by a well respected property law expert, this is an essential work for legal practitioners and students.
