

Spring Meadow is an Instructional Christmas Wreath-Making Book by a "World Renowned Wreath Designer," Nancy Alexander. After fighting the diseases of Celiac and Fibromyalgia for over 35 years, Nancy's mission is to make a difference in the lives of others. She can awaken your hidden talents by giving you the training, tools, and inspiration needed to change your life. "I want others to find and develop their gift, their talent, and their joy while designing something breathtakingly beautiful with their own two hands", says Nancy. "I want my students to wake up each morning excited and energized to be able to begin a day working on their next one-of-a-kind, special door wreath." Nancy has gone from spending years in bed to being known as THE wreath-designer everyone searches for to teach and share her special skills with them. Her YouTube Channel, www.youtube.com/LadybugWreaths, has been viewed millions of times by aspiring designers just like you. In all of Nancy's books, she plans and takes many close-up, color photos while writing precise instructions on how to create your own unique wreath just like hers. "Spring Meadow" encourages and equips you to find your own uniquely different style. Along with that you'll receive the tools needed whether you're a beginner or a seasoned designer. Anyone will benefit from this beautiful, well-written, and easy to follow, how-to, instructional book including those with no experience all the way to seasoned professional designers. "You Can Do This" "I Know YOU Can" has been Nancy's slogan as she encourages her students and followers every single day. "Even in my weakest, darkest times, I could find a few moments, then a few hours, and then even days when I could get my mind on something fun and exciting...then the energy would follow."
