

Up-and-coming chef Natalia Spencer has enough on her plate dealing with a struggling restaurant and a corrupt manager selling her out of pantry and kitchen. She doesn't have time for arrogant customers, even a gorgeous corporate raider in a bespoke suit with muscles that just don't stop. Until, of course, he buys her restaurant and saves her life. Logan Chase, alpha of his lion shifter pride, is intrigued when the feisty chef kicks him out of her restaurant. He's enraged when someone attacks her. And he's intoxicated when he finally gets close enough to kiss her. But when he shifts in front of her and his lion comes out to play, he risks losing Natalia forever. Natalia just wants to cook and snuggle with a nice guy. Shacking up with a man who's also a lion means inviting a new level of crazy into her life, along with his unruly brothers, and even her werewolf best friends warn her away. Can she and Logan create a steamy relationship from scratch, or are they a recipe for disaster?
